“Punch & Pie”

— at —

M^{rs.} Kearney’s Tavern,

during which our guests participate in an authentic
19th-century Hudson River tavern adventure.

We hold a number of public “Punch & Pie” evenings, typically on weekday evenings from 7:30–10 in April and in October and November. For dates and reservation information, please visit the Calendar page of our website, njpalisades.org. General admission to these programs is \$18 per guest.

ORGANIZED GROUPS OF UP TO ABOUT TWENTY GUESTS can book their own “Punch & Pie” evening, on any evening in April, October, or November when our staff and musician are available. For group programs we charge a flat fee of \$375 on weekday evenings and \$450 on Friday, Saturday, and Sunday evenings, payable in advance.

To make a reservation for a group event, please call 201 768-1360 ext. 108 or send an email to KEARNEY@NJPALISADES.ORG.

- Please note that if you make a reservation with us, you are NOT simply booking a rental facility in which to hold a party. You are instead booking A *ONE-OF-A-KIND INTERACTIVE PROGRAM*.
- In addition to the unique candlelit ambiance of a 19th-century Hudson River tavern, WE PROVIDE: Fresh fruit, cheeses, &c.; freshly baked pies; a spiced wine punch*; musical entertainment by THADDEUS MACGREGOR; and historical commentary (i.e., tall tales) by Kearney House director ERIC NELSEN.
- You NEED bring nothing with you but your GOOD CHEER. If you wish, you MAY bring your own WINE or BEER.
- Once your reservation has been made and we have received your payment, we will mail to you additional information, including directions and a map, that you may copy and distribute to your guests.
- *Remember that our goal is for our guests to participate in an “authentic” 19th-century tavern experience. You can expect your clothes to smell of wood smoke after you arrive home from an evening with us—and your head to be filled with all manner of imaginings about life in a different day and age...*

* Because our punch is well-heated on the fire before we serve it, most all of its alcohol content will have evaporated before it touches any lips—in other words, our punch packs little “punch.”
