Tips for Palisades Hikers

Many first-time Palisades hikers are surprised at how rugged our trails can get. Please be prepared!

- Always tell someone where you’re going and when you expect to be back. This is just good hiking sense, no matter where you go.
- Bring plenty of water – and drink it as you go. Some basic first aid supplies are always a good idea, too, as are some snacks.
- Wear sturdy shoes that are designed for hiking.
- Dress or pack for all possible weather conditions forecast for the day. Layers are the wisest way to dress for the outdoors – you can add or remove as you go. We also recommend long-sleeved clothing, even in warmer weather. Poison ivy thrives on the Palisades. Ticks are common. Long clothing with a spray of repellent at the cuffs is your best defense.

In case of emergency, call the Parkway Police before calling 9-1-1:
